## Beyond the Morning Story

From spelling, grammar, mechanics, and handwriting to written expression, learn why these can be the most difficult skills for children on the spectrum to learn. Various materials and technique will be examined for both verbal and non verbal students and attendees will take home packets they can use to help their children to succeed.

### **What is ASP?**

**ASP is a volunteer run, 501(c)3 community-based, support group with the following goals**

- To provide a support system for children with a diagnosis of Autistic Spectrum Disorder and their families
- To educate the under-informed and culturally diverse populations in Philadelphia area
- To advocate for Children with ASD and their families
- To increase awareness of Autism and related families issues in the Philadelphia area

### **About the presenter:**

**Cathy Roccia-Meier** is the Co-chairperson the School District of Philadelphia's Autism Education Committee She is a compliance monitor for the PA Bureau of Special Education , a training coordinator and parent trainer for Temple Institute on Disabilities, and board member for the ARC of Philadelphia. Most importantly she is the proud mother to an eleven year old on the autism spectrum.
